For Douzenier

"I firmly believe in getting things done and it is the efforts of the whole team which are key to success."

I have been a member of the Douzaine since 2004 when I became an Overseers of the Poor. In 2006 I was elected as a Douzenier and have served the Parish in that role ever since. During this period, I was for 8 years a Constable of the Parish and am now the Dean of the Douzaine.

People join the Douzaine for many reasons and come from a wide variety of backgrounds and experiences. It is incumbent on the Douzaine to ensure that all its members feel valued and have the opportunity to use their individual skills to the benefit of the Parish. My particular strength is getting on with people and finding ways through seemingly impossible barriers. I truly believe in delivering results so if there is a delay, I will be there finding a way through!

St Peter Port is unique. It's a place of work; a home to many; a holiday destination for holiday makers and cruise passengers; the only passenger sea terminal in Guernsey; and, of course a place of leisure. Each sector has its own unique needs and serving a community with those diverse needs takes commitment and enthusiasm.

Following the Island Wide Elections, we lost our parochial link to the States Assembly which has yet somehow to be replicated. This is a challenge, not only for our parish but all Parishes Island wide and can only be solved by elected States members involving themselves in Parish matters. This is an area which needs further development.

Sarah and I were married in Guernsey and finally settled here when I left the Army in 2002. Since then, I have been involved in several Guernsey businesses and am a director of two Guernsey companies. I enjoy music, travelling and experiencing life on small islands of the world where we all can learn from each other.
