

HONESTY - DUTY - SERVICE

VOTE FOR ROSIE HENDERSON ST PETER PORT DOUZENIER

PARISH MEETING WEDNESDAY 6 NOVEMBER 2024 20 NOVEMBER VOTING AT EITHER BEAU SEJOUR OR THE CONSTABLES' OFFICE

I've been a Douzenier for almost 9 years and in all that time have worked in St Peter Port, trying to make the Town a more attractive place for people to work and live. I've worked on the Floral Committee and was Chairman when we won Gold in Britain in Bloom's competition. I hope, if re-elected, that the Douzaine will return to entering competitions which help tourism and make our Town an outstanding center.

I am an animal lover and a hands-on environmentalist. Elected in 2015 I have attended every monthly meeting bar one and every important parish event. I have attended each 9 May and 11/11 Parade as well as any commemorative parades that I can manage

Town planning applications used to be discussed at length at each monthly Douzaine meeting and our comments passed on to Environment. I should like to see this to be reinstated as well as individual Douzeniers writing to object to plans which draw negative comment.

I am proud to manage an Age Concern center and have approximately 50 elderly people that come each week to enjoy each other's company, play Bingo and have tea and chat.

In the summer I help with the Town Carnival putting up the Gazebos and taking them down again as well as putting up the bunting which makes our Town look cheerful. All voluntary and all designed to make our Town a more inviting place.

I care for the Town Church Garden and garden in the La Vallette having a great deal of help from the Probation Service who send groups of people to work with me, with their assistance the railings and the benches were painted and much gardening has been done.

If I can help, I will.

As well as the Floral Committee I was also on the Townie Committee (Chairman) and the Christmas Lights Committee.

I also help with the Summer Town Carnival putting up the Gazebos and taking them down again. The bunting in Town gets put up and taken down by volunteers and a wonderful Cherry Picker man who makes the process seem easy.

exceedingly fortunate to receive help from the Probation Service who send groups of people to work with me, with their assistance the benches and railings have been painted.

When elected I would resume the practice of discussion about subjects concerning the town, such as planning applications, finance and the latest billets. The office opens 10.00 to 14.00, I believe that it should open from 9.00 to 16.00. Douzaine committees should recommence. Many challenges and I have a will for change.
